

VOMOR EXTENSIONS

Vomor Hair extensions are tape in hair extensions designed for additional volume to hair and can add some length as well. Vomor hair is ethically sourced and all cuticle remy quality to ensure its longevity. Vomor extensions can worn 6 to 8 weeks before they need to be re-applied and, if cared for properly the hair can last for many future installs. Please schedule a consult if you have not had Vomors before so a stylist can assess how much hair is needed and make sure to get the perfect color match!

MICRO LINKS

This is a pain free, braid-less, thread-less, sewin extension system utilizing small metal rings placed around the natural hair using no adhesives or glues. These hair extensions are a better option for those looking for significant length to be added as more hair can be applied while still looking natural and virtually undetectable.
