SPECIALTY BLOW DRY

This service is great for anyone that wants their style to last as long as possible. This could be done with techniques that include iron work, or setting the hair to be taken down at home.

UPDO

If you want part or all your hair pinned up then this is the perfect service for you. Please bring in inspiration photos to discuss with your stylist so you can both come up with a desired result. This service does not include a shampoo or blow dry so please come with your hair clean and dry.

CLIP-IN EXTENSION INSTALLATION

If you would like to have your clip-in extensions added to your hair so your style is fuller or longer, we would be happy to do that. We do not supply clip-in extensions so they must be brought from home. This is an add-on service only and can be added to any styling service.
